

Statement according SA8000®

SA8000 (Standard for Social Accountability)¹

HEITRONICS Infrarot Messtechnik GmbH - a socially conscious and ethically correct acting enterprise - considers the adherence to the international Standard SA8000. The Standard is based on international workplace norms of International Labour Organisation (ILO) conventions, the Universal Declaration of Human Rights and the UN Convention on the Rights of the Child.

HEITRONICS Infrarot Messtechnik GmbH observes within this standard

- the prohibition of child and forced labour
- the creation of a safe and healthy job
- the right to freedom of association
- the prohibition of race, sex and religion discrimination or any other kind of discrimination
- the prohibition of disciplinary actions (in the sense of corporal punishment, mental or physical coercion or verbal abuse)
- the adherence to the working hours
- the adherence to the compensation
